PROFESSIONAL SUMMARY

Enthusiastic software engineering student with strong technical skills in C, C++, Java, HTML, CSS, JavaScript, and PHP. Experienced in developing practical solutions and contributing to innovative projects. Adept at problem-solving and eager to grow within a collaborative environment.

CAREER OBJECTIVE

To leverage my skills in software engineering and web development to drive impactful projects and innovative solutions. Seeking a dynamic role where I can contribute to successful outcomes and grow professionally in an environment that values creativity and problem-solving.

EDUCATION

Shri Madhwa Vadiraja Institute of Technology & Management, BANTAKAL

Bachelor of Engineering in Computer Science (B.E. CSE)

Present

Expected Graduation: 2026

Relevant Coursework: Programming Fundamentals, Data Structures, Web Development, Database Management, Software Engineering

Current CGPA: 9.2/10

Viveka PU College, Kota

Pre-University Course (PUC), PCMCs

Aug 2020 - Jun 2022

Grade: 97.66%

Relevant Coursework: Physics, Chemistry, Mathematics, Computer Science

SKILLS

Technical Skills: C, C++, Java, HTML, CSS, JavaScript, PHP, MySQL, Git, IDEs (Eclipse, VS Code)

Soft Skills: Analytical Problem-solving, Independent Work, Team Collaboration, Attention to Detail, Focused Communication

PROJECTS

Student Attendance Management System

Technologies Used: Java, MySQL

Developed a system for managing student attendance with features for automated tracking and reporting. Improved efficiency by reducing manual errors and processing time by 20

Local Goods

Technologies Used: PHP, MySQL, HTML, CSS, JavaScript

Designed and implemented an e-commerce platform for local shops, including product management, customer interactions, and order processing. Enhanced user experience with a responsive design and streamlined checkout.

ACTIVITIES

Code Troopers

Member

Present

Participated in coding competitions and collaborative projects, focusing on problem-solving and algorithm design.
